## **Machon Israel 2.0 FAQ'S**

**Can a Machon Israel 2.0 participant take part in only the 2<sup>nd</sup> session Israel portion of the program and not participate in the 1<sup>st</sup> session Coleman component of the program?**

No. The Machon-Israel program is a full-summer program and participants are required to attend Camp Coleman 1<sup>st</sup> session and travel to Israel with Coleman 2<sup>nd</sup> session.

**Does the Machon Israel 2.0 trip require a deposit?**

Yes, a \$500 administrative fee is required and fully refundable until February 14th. If an applicant is not accepted into the Machon program, the deposit will be refunded.

**Is there a limit on how many participants can be accepted into Machon Israel 2.0?**

There is always a limit, but we will strive to accommodate all teens who wish to participate and will be better able to accommodate those who register earliest.

**How will Machon Israel 2.0 participants travel from camp to Israel for the group departure airport to connect with their trans-Atlantic flight to Israel?**

Camp Coleman will transport the Machon Israel participants to Atlanta and the teens will fly together from Atlanta Hartsfield-Jackson Airport to the group departure airport. Our Coleman staff will coordinate domestic flight arrangements and be in contact with families at the appropriate time. Families are responsible for paying the domestic flights.

**Additional Questions?**

Any questions about the enrollment and acceptance process for the Machon programs should be directed to the Justin Levy at [jdlevy@urj.org](mailto:jdlevy@urj.org)

Question about Israel logistics, flights, or itinerary, please head [here](#) or if you have a specific question you can contact Ilana Picker at [lpicker@urj.org](mailto:lpicker@urj.org)
